Enclosures:

No. 2128-D/43 dated 1st December 1943

Sir,

Subject:-Madras Silk Control Order 1943-Issue of permits to export silk outside notified areas.

Reference.- G.O.No.2442, Ms., Dev., dated 2nd October 1943.

Under sub-clause (i)to clause 4 of the Madras Silk Control Order,1943, the Controller is competent to issue permits for the export of silk outside the notified areas and under sub-clause (ii)every licensed trader should inform the controller of every order or requdst received by him for the supply of silk to any place outside the notified areas. At present, applications for export of silk are received by the Controller either direct or through the Sericultural Expert and in the former case, the advice of the Sericultural Expert, the local offier, has to be obtained before a permit is granted. The procedure

obviously

obviously involves delay. In order to facilitate the prompt issue of permits without inconveniencing the licensed traders, I suggest that the Sericultural Expert be authorised under clause 2(a)of the order to exercise the powers of the Controller under Section 4 of the Order.

and Commerce.
